## WHAT'S ON

# The Glow

By Alistair McDowall

*"People find me. When it's dark.*

*1863.*

An asylum.

A woman locked in a windowless cell, with no memory as to who she is, or how she arrived there.

When spiritualist medium Mrs Lyall requires a new assistant, this nameless woman seems the perfect candidate.

But as the woman's past begins to reveal itself, so do new powers neither are prepared for.

*"Matter may decay, but the spirit persists. The energy we exude remains."*
